

Pest control

Your Acton BID contracted Terminix to keep your business free of rats & mice

Your Acton BID has entered into a partnership with Terminix Pest Control to provide free/discounted pest control against mice & rats.

You'll benefit from:

- A highly experienced, knowledgeable well trained and motivated technician.
- A quick and FREE of charge response to call outs for mice and rats.
- Information and advice on how businesses can help themselves to prevent or reduce pest infestation.

Details of the service:

Food businesses receive 12 routine visits per annum

Non-food businesses receive 6 routine visits per annum

15% discount on industrial businesses located in Acton Park & South Acton Estate

Emergency call outs (within 2 working days)

The basic cost of this service is £172 per business per year – which is offered FREE through your Acton BID levy.

Due to the different requirements needed for Acton Park and South Acton Industrial Estate, any pest control procured through the Terminix/Acton BID Partnership will include a 20% discount.

To sign up for your free pest control, contact the team:

- Your Name
- Business (address and best contact details)
- Scheme start date (the scheme will last the length of the term until March 31st, 2023)

About Terminix

Terminix delivers smart pest management and has provided safe, clean and pest-free environments for over 40 years throughout the whole of the UK.

Terminix fully complies with, and in many cases is ahead of current legislation, such as the European Union Biocides Directives. They follow the code of practice guidelines set out by the CRRU, which highlights their commitment to providing a sustainable rodent control service with minimal impact on the environment.
